

Specially-Formulated Mediums Expand Your Creative Options!

Easy-to-use products with amazing results! From crafty projects to home decorating needs, you'll find hundreds of ways to get creative with these fun specialty mediums from Plaid®.

Stiffy®

Stiffen & Shape Fabric & Trim!

Add dimension to your crafty projects with Stiffy®, the original fabric stiffener. Classic medium is perfect for permanently stiffening fabric, ribbon, lace, needlework and more! Applies easily and dries quickly to a clear, non-yellowing finish. Waterbase, non-toxic formula.

1550 Stiffy 8 oz. 1551 Stiffy 16 oz.

Stiffy® Makes Fabric Stiffening Easy!

Dip fabric into Stiffy.
Work Stiffy into fabric; hang until 80% dry.
Form fabric into desired shape or bow; let dry.

PICTURE THIS®

Create Special Keepsakes!

Display much-loved pictures and prints on any fabric surface with Picture This® Transfer Medium. From leather to canvas, cotton to denim, Picture This transferred images are permanent and machine washable. Waterbase, non-toxic formula.

24902 Picture This 8 oz.

Transfer Images in Three Easy Steps!

Brush Picture This on Image. Apply to fabric. Sponge off.

Petal Porcelain®

Create the Look of Handcrafted Porcelain!

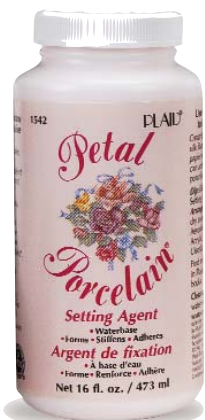

Turn ordinary silk flowers into porcelain-like beauties with Petal Porcelain®. Simply dip silk flowers into this unique setting agent and place on desired surface. Silk flowers dry to a porcelain-like finish with body and stiffness, and adhere to the surface all in one step.

1542 Petal Porcelain 16 oz.

Easy Steps—Amazing Results!

Dip flower and/or leaves into Petal Porcelain.
Remove excess product.
Position flower and/or leaves surface.
